If you own shares of Huron common stock as of March 4, 2024, you should have received proxy materials by now for the 2024 Annual Meeting of Stockholders to be held on May 3, 2024 at 11am CT.

1. If you have received proxy materials and you have NOT voted yet, we encourage you to vote your shares.
2. You should have received your proxy materials from your bank or broker, including Fidelity, via email or the Notice of Annual Meeting card via U.S. Mail. You can vote those shares at www.proxyvote.com with your 16-digit control number which was provided via email or reflected on your proxy card.

Employees who cannot find the control number to vote their shares can obtain their control number from their bank or broker. For shares held at Fidelity, employees may call 800-343-3548 and a Fidelity representative will assist with retrieving your control number.

The proxy statement proposals on which you are requested to vote can be reviewed online at www.proxyvote.com.

Regardless of the number of shares you own, it is important that they be represented at the annual stockholders meeting. **Your vote matters.** Please vote your shares now so that your vote can be counted.

Please let me know if you have any questions.
